### [National Concussion Awareness Day Shines a Spotlight on TBIs](#)

Brooke Mills suffered a concussion in high school. Her goal is to "start a conversation to increase concussion awareness nationally, raise funds for brain injury charitable organizations, and show support for those suffering."

### [9 Things You Should NEVER Do After a Car Accident](#)

Most people know what they should do after a wreck: call 911, help those who are injured, and provide proof of insurance. Rarely do we talk about what *not* to do.

### [Can You Get Workers' Comp Even If the Injury Was Your Fault?](#)

A dozen states including Georgia follow "no-fault" workers' compensation laws. Here's what that means for injured employees.

## What to Do After a Motorcycle Rear-End Accident

Plus, the most common reasons why rear-end motorcycle crashes happen and the types of injuries sustained.
