

## Ready for a Winning Weekend?

Attorney **Gary Martin Hays** and **English Nick** have you covered! They break down the best weekend events happening in and around Atlanta every Friday at 9:50 a.m. on 97.1 The River. They know Atlanta, they know Georgia, and they want you to have an awesome winning weekend!

Gary and Nick went to the grand opening of LR Burger in Downtown Duluth to try out the menu. [Here's what they thought.](#)

## [How Georgia's Hands-Free Law Is \(and Isn't\) Working 5 Years Later](#)

Stricter laws and tougher enforcement have brought traffic deaths down, but there's a catch.

## [Most Common Illegal Drugs Involved in Large Truck Accidents](#)

Stressed, isolated, and overworked, some drivers turn to drugs to increase their productivity. This tactic can backfire in terrible ways and is more common than many people realize.

---

## What Our Clients Are Saying

### YOUNG F.

*Truck Accident*

Hired Gary Martin Hays & Associates for an accident I was in with a truck. They were always very helpful with getting me the treatment I needed and always answered the phone when I had a question. Very satisfied with the services I received.

### ENZIA T.

*Car Accident*

Words cannot explain my level of gratitude for my team. From start to finish I felt like family, I felt like someone had my back, and was willing to go to war for me. Thank you all for making sure I was well taken care of.

---

## How Do You Know If You Have a Concussion After a Car Accident?

A concussion is a type of mild traumatic brain injury (TBI) caused by the brain striking the inside of the skull. Know the warning signs and put your health first.

---

## Georgia Had the 5th Highest At-Fault

## Accident Rate in the U.S.

More than 10% of Georgia drivers have an at-fault traffic accident on their record, according to the Insurify study.
